

March 23, 2020

To: Our valued customers and partners,

Techprint Incorporated is a manufacturing company and a “critical infrastructure” supplier to the Medical Device, Healthcare, US Defense Industrial Infrastructure, and deemed an “essential business” / critical manufacturing company per our Governor of Massachusetts defined COVID-19 Essential Services - Exhibit A;

HEALTHCARE / PUBLIC HEALTH / HUMAN SERVICES

• Manufacturers, technicians, logistics and warehouse operators, and distributors of or necessary to the supply chain of medical equipment, personal protective equipment (PPE), medical gases, pharmaceuticals, blood and blood products, vaccines, testing materials, laboratory supplies, cleaning, sanitizing, disinfecting or sterilization supplies, and tissue and paper towel products.

CRITICAL MANUFACTURING

• Workers necessary for the manufacturing of materials and products needed for medical supply chains including personal protective equipment and hygiene products, transportation, energy, communications, food and agriculture, chemical manufacturing, nuclear facilities, the operation of dams, water and wastewater treatment, emergency services, and the defense industrial base.

Techprint will continue operations and support our customer’s orders.

We are proud to be part of the essential and critical US and Global supply-chain.

We commit to business continuity, while ensuring the health and safety of our employees.

Sincerely,

A handwritten signature in blue ink, appearing to read "Paul J. Durant Jr.", with a stylized flourish at the end.

Paul J. Durant Jr.
President, Techprint Inc.

Techprint Inc. 137 Marston Street
